

## Maine's Libraries are good for the ECONOMY

**Libraries add value to communities, and here are the numbers to prove it:**

### **\$\$ value of library books**

Maine's public libraries have over 6 million volumes – that's about 5 items for each person living in Maine.

If you borrow two books per month at \$15 per book, that's \$360 per year. To find out more about the value of your library services see <http://www.maine.gov/msl/services/calculator.htm>

### **Number of items borrowed**

Maine public libraries circulated 8,749,494 items last year or 11 items for each registered card holder.

### **Computers for the public**

More than 1,245 public computers connected to the Internet are available in Maine's public libraries.
